“ *Dear Bob, we are so sorry to hear of the death of your son. It's been a few years since we saw each other. It's ironic how it takes a death of a loved one again to bring us in contact. Joann Green gave us your email address. Extend our condolences to Barbara.*

“ Dear Bob and Barb, I am so sorry to have read about Bobby's passing. I just don't have words to express how sad it is. Please let me know when the memorial service will be held. I would like to attend.
