“ To Bob's family, I'm so sorry to read of Bob's passing. I knew Bob from Medco years ago and worked directly with him for a few months in the warehouse. He was a great, fun guy to work with. May God be with you all in the time ahead. Cheryl Crigger

“ Cindi and Christopher- When I heard today of my old friend's passing, I felt a tidal wave of sadness. Bob was always such a positive guy, never had a bad word to say to or about anybody. And funny--he cracked me up every time we had a chat! I hope you know how he always doted on the both of you--still warm and fuzzy after all these years. Bob has left a huge void in all of us who knew him, but most of all for the pair of you. He left too soon, so we will have to cherish his memory all the more. I pray you will feel The Father's loving hand on your shoulders when the days are darkest, and find some comfort there. Kathy Rollison Trowbridge

“ Bob was such a very good man, anyone who was blessed to know him in this life will surely notice his absence. but we know this day Heaven is celebrating his arrival! i had the pleasure of working with Bob at Medco, not only was he one of my favorite co-workers, he was also a good friend! Bob was a very dear friend to my parents Richard and Jenni Sirgo who also worked at medco. He was actually one of the first people i met when i started working there and my mom introduced us! I'm so glad that we can take comfort in knowing we will see him again one day when we all meet the Lord! my thoughts and prayers are with you all during this difficult time, and if you need anything please let us know! In Christ, Tony and Becky Amato!
