“ Bob was the best boss I have ever worked for. He hired me at Highlights and I worked for him for 8 years before they parted ways. He was tough, hard-headed and very protective of the people that worked for him. He hired me and really helped to advance my career through his experience, mentoring and guidance. Although I lost touch with Bob awhile ago, I have often thought about him and considered how he would deal with a current situation that I find myself in. He was a good boss, great teacher and true "shield" of the people that worked for him. He will be greatly missed and my condolences to the entire family, know that I am grieving with you. With all of my thoughts and prayers, Kelly R. Hughes
