“ *Joanne, I am so sorry that Nancy and I can not be with you today in your time of sorrow. I am working until 9PM and Nancy has been ill all week. We want to extend our sympathy to you and your family on the passing of Bob. Nancy and I were just talking this morning about all of the good times we had at the pharmacy functions with you and Bob. Nancy said she has lost one of her favorite "swing" partners. Personally I always considered Bob a mentor to me and appreciate all of the things Bob taught me about the pharmacy profession. We all should be so lucky to have the career Bob did. God bless you and your family. We are praying for you! Dale and Nancy*
