“ *To Peggy and the entire Seiple family,*

My deepest sympathies on the passing of Doc. I just saw that Doc passed away last year. I had been thinking about him and working together (many years ago). I googled to see if he was still in Dublin and found this.

We had many good times working together and I am very sorry for your loss of such a loving person.....Joanie

“ My sincere condolences to the family of Dr. Seiple. I was a patient of his from November, 1964 until he retired. When I had to pick a new doctor, I chose Dr. Patricia Bacon because she was so young and I hoped she would not retire before I died. When I was a patient of Dr. Seiple's, I was cared for by one of his daughters who was a P. A. I really liked Dr. Seiple and hated to see him retire.
