“ *To Kathleen and all the family, by "hugging" you all (in writing) from 1,800 miles away, it is my hope add some measure of comfort to you over the recent loss of Bob. During my 38 years as part of the Davis-Erler family of cousins, I had only a few opportunities to visit with Bob; but, they were "high intensity, friendly and rewarding" visits. Bob was my friend. I will miss him for the rest of my days. With lots of love and warm regards to all,
