“ *Robert and I were friends on Facebook . The last time I seen him in person was at the bakery when we were there for a visit, he was about 6 or 7 years old. He was the apple of Bobbie's eye! He loved to see Robert play sports and he was so proud of him
Robert will sorely be miss by all. God Bless his family

“ Bobby and I used to play basketball in the back of his dad's bakery. I was never good at sports like he was but he didn't care. I am honored to call him my friend. We haven't seen each other in decades but still communicated here and there online. RIP my friend.

“ Bob and Letha were our friends for many years. We had great times together and shared many laughs, dinners, and just friend time! Bob enjoyed watching football with my husband. My kids knew the words “scared straight” bc Bob reminded them of those words a lot! Bobs laughter, jokes, and friendship will never be forgotten. He was suffering deep inside but had so much love for his wife and children forever!
We will miss him but know he is smiling upon us just like the rest of our loved angels! RIP Bob

“ I met Bobby in August of 2012 and we worked together. Over the first few months we became friends and he certainly made the days go by quick with his jokes and endless stories. He talked about his kids and wife so much! He was a good friend and I'll definitely miss you man...sorry I didn't keep in touch with you the last few years. RIP buddy.
