“ *Bob has been the "photographer of record" for the Ohio Provider Resource Association for many, many years. He captured moments both formal and silly, particularly at our Spring and Fall Conferences. While we'll miss his images, we'll miss his presence and professionalism more! RIP, Bob, and on behalf of the Board and Staff of OPRA, warmest condolences to his family. - Emily Bach, Solutions Specialist, OPRA*

“ I worked with Bob 25 or so years ago at Cardinal Industries in the Graphics Department. The little girl that was shown for many years in Bob's advertisements is my daughter. He took her picture then at age four, at HS graduation, at college graduation and at her Master's graduation. And three years ago, he was her wedding photographer. He also took my younger daughter's graduation pics. I will miss him. My heart goes out to you, his family. He was a kind, kind, gentle man. He left a hole on earth, that's for sure, and no one will ever be able to fill it.

“ 60 years ago Bo and I moved across St. Rt. 605 from Evelyn and Bobby Vincent. We immediately became friends and remained close for several years until they moved away. Our dog was their dog. We spent many hours with Bobby. He loved to drive the tractor and work around the horses. Over the years we have enjoyed chance meetings and relived old happy memories. We remember his family and extend heartfelt sympathy to them for their loss.

“ Our deepest sympathy and prayers go out to each of you during this time. Bob was a wonderful and gentle man one that our family will miss very much. He has been a part of Mark's life for many years as they traveled around golfing together, Bob was the best man at our wedding and somehow managed to take all the photos as well. He took our first family photo and many throughout the years and the last ones were our children's graduation from high school. We will miss cheering on the Buckeyes with Bob most of all, those were great times and will always be in our memories. Goodbye to the man behind the camera until we meet again. The Mitchell Family.
