“ I have had the privledge to call Robin a teammate for four to five years now. Robin, you always had a way to bring a smile to my face no matter my mood. There are few people you meet in a lifetime that want nothing more than to be a friend, Robin you are one of the few... I already can barely imagine Tuesday nights without you. Love you Robin...

“ I am so sorry to hear of Robin's passing. Although we were neighbors only a short time, Robin always stopped to say hello to me and my dog. I miss him as a neighbor. May God give Robin's family and close friends the grace and strength to get through this sad time. My deepest sympathy goes out to all of you.

“ He climbed cathedral mountains
Saw silver clouds below
Saw everything as far as you can see
And they say he got crazy once
And he tried to touch the sun
And he lost a friend but kept his memory
In my heart this is where you'll always be.....safe journey
my friend.
