“ *I was very sorry to read about Roberta's passing in the paper. She was my choir director and teacher for several years at Worthington in the 1970's, and I did part of my Freshman Early Experience at OSU with her at Kilbourne. Although she was kind of gruff, she was one of my favorite teachers. I will always remember her pounding the top of the piano and shouting "Judas Priest!" when we didn't perform the way we were supposed to. The world will be a much duller place without her, and I extend my most heartfelt condolences to her friends and family.*

“ Dear Bob, Carolyn, Connie & families, Your mother was as good of a neighbor and friend in the many years I lived in Riverlea, as anyone could hope for. And that included getting up in the middle of the night to drive me and Don to Mt. Carmel Hospital for the births of both sons! She knew how to enjoy life and had a great sense of humor. I can't begin to tell you how many happy memories I have of times spent with her even though that's been some years ago -- it was always fun going up to Lake Erie to visit, and even my sons remember our neighborhood bridge club get-togethers. I am certain you all have your own good memories of her that will help you through this difficult time. My prayers are with you all. Sincerely,
Katherine Haines Raleigh, NC

“ Dear Lauren, Carolyn, Tim, Lindsay and all of the rest of the family: We are truly sorry for your family's loss. I know that this is an extremely tough event to experience, but please take the time to remember all of the wonderful events you have shared together with her and celebrate her wonderful life with a smile and laughter among your friends and family today. I only met her a couple of times, but I can honestly say her words and her actions had me smiling and laughing the entire time. Our thoughts and prayers are with your family always.
