“ *Though I have never met Mr. and Mrs. Charles and Roberta Selby personally, I have heard and read about their dedicated and outstanding missionary work for 50 years in Northern Luzon Philippines among the Ilocano and other people groups in the area. Our congregation has been served by graduates of the Aparri Bible Seminary which they co-founded with the late Bro. Faustino Peneyra in 1952. I was baptized into Christ by a pastor who was an alumni of the seminary. Indeed, they were a great blessing to the Churches of Christ in this part of the world through the various ministries they started. Our congregation's condolences to the family for the passing away of Ma'am Roberta Selby. She and her husband will always be in our hearts and I hope to meet them in heaven.*

"It is difficult to sum up all in a sentence or two how Mr. and Mrs. Selby molded and inspired our lives to become what we are today. They were our guiding light and source of inspiration to continue working for the Lord, in the Philippines and in Hawaii, and to persevere in the faith. You treated our family as your own children and we adopted you as our parents. You have a very special place in our hearts."
