“ *Sutherland Family, Bert was a wonderful person, whose warm and loving spirit was readily evident from the first time we met her. Her smile and her laughter will be missed. Talking with her was always a bright spot in our day. She was so proud of her family, and shared stories and photos with us on many occasions (always with that twinkle in her eyes). Know that you are all in our thoughts and prayers. - Allen and Christine Houk*

“ *Dear Charles and Family: I am the father of Dito..who recorded the cd in 2003. You made an album cover-which we still have & will always treasure. We are customers of Kenstar. Bert and I had running "insult contest", which she always won. At our last meeting in the store, she said, "Come here and give me a hug. What a fun/fine memory of a great, great lady and dear friend. “ To Bert's family: Bert was one of the first to make an impression on me when I first started going to church. She was always so happy and had a wonderful outlook on life. She now is in God's hands and putting a smile on everyones face. God's blessing and prayers.
