“*I was thinking about how funny Robin was. One of my favorite songs was "Umbrella"! Robin would get a umbrella and dance, while singing the song! It was funny! Thinking about this makes me cry. Because I'm thankful that God allowed us to meet. She had such a loving, kind and nurturing sprit. My deepest condolences to her husband, children, siblings and extended family. See you later Robin 🙏*

“ I miss my friend. We met at Ohiohealth - she was the first person to offer to help when she saw I was in WAY over my head. She always possessed such a calming presence - even in the midst of chaos. I am a better person because she touched my life - and even though we didn't see or speak to each other everyday, she was my sister and I loved her. Anyone who has ever met her, will miss her dearly.

...until we meet again

“ *I have worked at OhioHealth going on 5 years & I was blessed to meet Robin the most recent 2 years here. She was the ABSOLUTE most beautiful person I have ever had the pleasure to meet. She was always happy, positive, upbeat, caring; any angelic accolade thinkable she was. I was terribly sadden upon hearing this news as I never had a clue she was sick. Then to think about just how upbeat she ALWAYS was while going through what she was is unthinkable. Even though I didn't know her as well as others, this hurt me so I can't imagine how you all feel. She had a smile that would light up our floor & warm my soul. So I want to send my condolences, prayers & love to the family & loved ones. I don't wonder where she is at all right now. There no doubt was a homecoming with a special seat waiting for her in heaven. Let's not get overwhelmed with our physical attachment as there is no doubt she is with God! God Bless you all. “ I worked with Ronin at Ohio Health. She was a true blessing. She always had a positive attitude. People called me Mother Theresa but I think Robin was Mother Theresa. She came to my mother's funeral and even to the cemetery and she had never even met my mom. She will be deeply missed. The family has my deepest sympathy. You are in my prayers. Sally Mace Donohoe

“ My heart is breaking for the Fields family. Robin was the sweetest person ever and will be missed by many. I worked with Robin at Ohio Health years ago, and even though we didn't talk often, when we did, it was like we had just spoken the day before. My thoughts and prayers are with you.

“ I worked with Mrs. Robin at OhioHealth and I am going to miss her wonderful smile, kind words, thoughtful gestures, and blowing kisses. I remember one day I was working at my desk past lunch and she asked if I had something to eat she even offered to bring me something back, that was our Mrs. Robin always looking out for others. We might have lost a friend but Heaven has gained an angel.

I was so saddened when I heard of Robin passing. Robin was one of the very rare people, on earth that was genuinely loving and caring. She always had a smile on her face and she was funny! I truly LOVED Robin. May she Rest In Peace!
