

Rodger Clement Logsdon

September 24, 1933 - June 7, 2026

Rodger Clement Logsdon, 92, of Silver Spring, Maryland, passed away on Sunday, June 7th, 2026. He was born September 24, 1933, in Lansing, Michigan, to Clement Searl and Constance Sheridan Logsdon.

Rodger will be remembered for his quick wit, sharp mind, and the steady humor that brought smiles to those around him. He graduated from UNC Chapel Hill and later attended Syracuse University before serving his country in the United States Air Force, where he served as a Captain before retiring from the Reserve as a Lieutenant Colonel. He went on to spend more than three decades at Westinghouse/Northrop Grumman, building a career marked by dedication, integrity, and quiet purpose.

In his free time, Rodger found joy in traveling with family, taking beloved road trips, tinkering with projects in his garage, and tending to his garden. During retirement, he devoted more than a decade to volunteering at the National Capital Trolley Museum, where he formed lasting friendships and took pride in helping restore historic trolley cars. Above all, Rodger loved his family deeply. Time spent with his daughters and grandchildren meant the world to him, and they, in turn, loved him dearly. His love, laughter, and steady presence will remain with them always.

Rodger lived a full and meaningful life and will be deeply missed by all who

knew and loved him. He is survived by his sister, Linda Logsdon; his daughters, Laura Logsdon (John), Diane Logsdon, and Sarah Wagner; and his beloved grandchildren, Katrina and Justin Logsdon, and Shea, Liam, and Molly Donohoe.

A funeral will be held on June 23, 2026 in Columbus, Ohio. In lieu of flowers, please send your donations in memory of Rodger C. Logsdon at The National Capital Trolley Museum (<https://www.dctrolley.org>, 1313 Bonifant Road, Colesville, MD 20905 301-384-6088).
