“ Rodney was my coaching client while we were both working for Chase. He was a dear man, who tried very hard to do the right thing, to find the right path for himself and his family. I am sorry to say I just heard of his passing today and wanted to convey my deepest sympathy to his family.

*With warm regards,

“ Goldie and Rodney- We are so sorry for your loss. Couldn't believe it when I saw it on our computer! Todd spent a lot of time playing ball with him, as you as their devoted coach, and Goldie and all us parents cheering them on!!! You and your family and especially his wife and children are in my thoughts and prayers. May God comfort you and keep you strong at this most difficult time.

*We are praying for you during this very difficult time! May The Lord give you strength through the pain you and your children must be experiencing. We hurt with you.

“*Rodney always made me feel like he was happy to see me. He talked about his family and asked about ours. We worked together through many years, long hours, and many accomplishments. But, our family is just one in the enormous network of friends & colleagues that Rodney Estes built in a lifetime way too short. Our prayers & condolences go out to Chris and the family.*
