“ *To Carol Meehan,
It is with my deepest sympathies that I send my love to you as you face Christmas without your dad. It is so hard to lose your parents anytime but especially just before the holidays...a family time. I remember a conversation a long time ago (back in the mods) when you talked about your parents and grandparents as important settlers in Worthington. Many thanks to them in being instrumental in helping to build such a great community. I would love to get together with you to catch up.*
