“ *Prayers to the family. I worked with Ron at the Dublin Training Center and he was so good to work with. He was very reliable and knew his equipment (and the courses he taught) well.*

Rest in peace.

“ So sorry to hear about Uncle Ronnie! Always will remember all the Thanksgivings and Christmas spent together. One of the biggest things I will always remember are all of his stories. He sure had a lot of them. I will also remember the stories that my mom and dad had of when you were bowling, playing cards, and just having fun. He will be greatly missed by all who ever knew him. Love,

“ My condolences to the Jarrett family on the loss of a wonderful man with a wonderful family that I grew up across the street from. Even in later years when I would be checking in on my parents, Ron would come across the street to the porch and just shoot the breeze with my parents and I know especially my Dad looked forward to those visits after his retirement. We lost both of our parents less than 2 years after moving them from Sugarmaple and my guess is that there is quite a reunion going on up there with many of the men and woman from the street, My thoughts and prayers are with you at this incredibly difficult time. I know there are so many special memories that will get you through. God Bless you all.

“ I spent many hours shooting the breeze with Ron in my office at KRBC. We both probably should have doing other work but Ron was a professional breeze shooter. Life, ministry, Jesus, kids these days - Ron was genuinely curious to hear about the students and what the church could do to minister to them. Ron was the man that I was always glad to see coming.
