“ *Rose will be sadly missed every day. She was so sweet and full of life. We are so blessed to have had her as a member of our family the past 10+ years. She lived her life to the fullest for her children and her husband. She fulfilled Bob's life, and we appreciate having her for the short time we did.*

“ *My mom and I were devastated to here of Rosies' passing!As I was just telling someone I've never met a more pleasant and genuinely nice person than her,I don't have the words to say how much she will be missed,I'm glad her great personality has rubbed off on her son's so that part of her will always live on.I so regret our current health will not allow us to be at the service but will visit her often at the cemetary with all our Dublin Family!God bless you all and may she now rest in peace.*
