“ *Dear Family,*

I am so sorry for your loss, after reading this obituary i wanted to share an encouraging thought with you from the bible. This scripture at (Revelations 21:3,4) tells us of a future promise that god has given us. “With that I heard a loud voice from the throne say: “Look! The tent of God is with mankind, and he will reside with them, and they will be his people. And God himself will be with them. And he will wipe out every tear from their eyes, and death will be no more, neither will mourning nor outcry nor pain be anymore. The former things have passed away.” So isnt that a nice thought, that one day there wont be anymore death, crying, suffering, or pain. What a time to look forward too. I send my condolences to your family.

Dear Family,

Sorry I missed you at Sanctuary, but I just wanted to extend my condolences to you both. Rose was quite a unique and loving individual and very fun to care for. I know she really appreciated your help over the past several years! She will be missed by me and the staff at Sanctuary as I know I have talked to them. Wishing you a Happy Easter! Hope you are doing well. Prayers to you all!
