“ *My family knew her well, a beautiful teacher. She worked with all of us kids at Olentangy. She had started teaching when my mother Charlene (Havens) Wells was a senior at Olentangy in 1955. Our deepest heartfelt sympathies, love and prayers are with you and your family. I thought often about your mom and the wonderful lessons she shared with me as her student, I was so fortunate to have her as a teacher. “ *My sincere sympathy on the passing of your mother. I knew Rose from the Aquatics class at the Delaware Senior Center. I enjoyed talking with her; often she would stay a little after our class and we would have a good conversation. I loved her quick wit and her sharp mind, her strength and her independence. She and I shared many similar life experiences - teaching, maintaining a rural property, dogs, politics. She talked about Max, her children, her years as a teacher, her springer spaniels, about the time she and Max put a new roof on the house. I always enjoyed our conversations and looked forward to seeing her. I missed her when she was no longer able to come to class; I'm sorry she's gone. What a great lady.*

“ *Dan and family,*

I have lost a dear friend. After speaking with you on several occasions, I would try to reach Rose but was never able to make contact. She was such a good neighbor to us all.

Please accept my deepest sympathy. I will miss her.

Sincerely,
