“ *My deepest, deepest sympathies to the family. I do not know you personally, but know the love my daughter, Allison, had for your family. I never knew your names, but you were in my prayers, as you are now. Allison loves you all, and was also heartbroken at your loss, at the loss she also felt so deeply. You are special, special people who have left a footprint on our hearts. May God bless and keep you.*

“ Roseanna my beloved wife, thank you so much for all the years of joy, happiness and love that you gave to me and our children. I will love you always. Give Richie a hug and don't worry about me, I will continue to ponder our memories and the good times we had and the things we shared and the bad things that we came through. I love you darling. I wish you could have stayed longer. You said that we needed to "keep on keepin on", the Lord answered our prayers and took you home first. I am sure that I will follow soon. Just remember I'll be loving you always, always, always. Your husband of 65 years. Good night darling....

“ My Mom.....the most caring, compassionate, and giving person i have ever known. She was my biggest cheerleader and supporter of every endeavor. We laughed together and cried together. We had a bond that only a mother and daughter share. She will be greatly missed. I love you, Momma.
