“ *Family Members: My heartfelt sympathy to you on this sad occasion. I regret I could not greet you personally. Rosemary and I became close friends when we attended St. Joseph Academy. She was bridesmaid in my wedding when I married my first husband, Jack Imwalle. We remained close until she and your father were transferred out of Columbus. After their move back to Columbus, we communicated occasionally. Family responsibilities and outside interests kept both of us busy and we lost touch with each other. When our class stated our annual "Birthday Celebration" she often attended and we would get caught up with family news. She was disappointed that she could not attend our get together this past October as she was to have a radiation treatment that day. May God continue to bless you and hold you in the palm of His Hand. May you find peace and comfort in His love.*
