“ Ruby was one to often put her feelings on paper. Thursday I was looking through cards and things she had given me and I came across this poem she had written for me in 2007.

*Sisters are your smile on your face
Sisters are your tears when you cry
Sisters are your heartbeat
Sisters are your sweet dream when u sleep
Sisters are your sunlight in the morning*

*This is for my sister Kandy
From her sister Ruby*

I thought about how I would respond to her today if I could say something to her and wrote this back to her.

For my sister Ruby,

A sister is the one person you sometimes forget to tell that she has also been all of these things to you and so much more. I have missed so many opportunities and for that I am sorry. I love and miss you so very much.

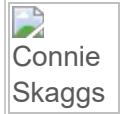

From your sister Kandy
