“ *I remember Russell with a great deal of fondness. He was so gracious to me as one of his beginning design students. I still remember working along Elizabeth, helping Dad crew a show. He was so talented and so generous. I appreciate the times you opened your home to everyone after a show. Please know I send my thought and prayers to the entire family.*

“ *Having been a graduate student in the OSU Theatre Department when Russell arrived, I know the quantum leap that the program and the productions took at that time. And, having been involved in many productions he designed until the early 80s, I came to appreciate all that his artistry meant to Central Ohio theatre. As important, I knew Russell as a caring, friendly, and, considering his talent and contributions, an amazingly modest man. He will always be in my affectionate memory. Bob Boyer*

“ *Johna and family: so saddened to learn of Russell's passing. He was a brilliant designer, an inspired teacher, and a wonderful colleague. His impact on the world of theatre is enormous, both through his own beautiful work and, perhaps most importantly, on the hundreds of designers he taught/prodded/ and fired up with his own enthusiasm.*
