“ *Dear Sheri and Tom, We are sorry that we can't be with you and your family. We are so saddened to learn of your father's passing. He was such a kind and gentle soul. May you be comforted with many beautiful memories and that others will miss him also.*

“ *Doris, Sheri and Pastor Tom; We are sorry to hear that Jack had passed. We are absolutely sure that he is by Jesus' side and has been enthusiastically welcomed. Jack was a gentle and kind person to our short observation of his long life. He and Doris raised a wonderful lady who married a wonderful man. They are both in our hearts and prayers forever. from Rusty: Jack was especially dear to me because of his similarity(physically & career)to my own dad. There's just something about the retail grocery that produces memorable and wonderfully good natured people. May Jack live ecstatically in the arms of God.*

“ *What I loved about Uncle Jack was his animated personality. He loved to talk, and he was fun to listen to because his eyes would light up and he would smile quite broadly as he would tell a story. I also remember the first time I ever ate barbeque chicken (which is one of my favorite foods now), Uncle Jack made it on his grill. It was delicious, and I was hooked. Forever. :-)* My sincere condolences to family and friends. He will be missed! *Mona Pelkey*

“ *Sheri, Karen and I are sorry for your loss. When we met your dad in Michigan many years ago when we rented the cabin we recalled how nice of a man he was and his gentle spirit. You are in our thoughts and prayers. May God Bless you and Tom*
