“ *Cathy, I understand your loss. It weighs heavy on the heart now. You have so many memories and know that you were always there for her. I'm sure Daddy was there to meet her. Love, Reba*

“ *Ruth loved JoJo...both of them! She enjoyed playing cards and games and was very good at it. We shared many Christmas day visits, and my family was so pleased that she and Cathy could join us for a 40th anniversary celebration last December. It will take some time to get used to the empty chair in the corner. Cathy set a high standard in caring for a loved one. We can all aspire to do as well.*
