“ *Dear Phil, I just saw the obituary about your mom. I am so sorry about your loss especially at this time of the year. She was a very special lady to me growing up. Take care.*

“ *Phil and Kathy, So sorry to read of your Mom's passing. Ruth and Walter were always a part of the family for my whole life. I have some wonderful memories of times our families spent together. I know you're feeling many things right now, including OLD since we are now the older generation. As long as one of the parents were alive I could still kid myself into believing that I was not getting older! My thoughts are with the two of you as I stroll through memory lane...*
