“ *You will be missed Ruth! I'll never forget my baby shower by you, Bonnie and Hazel and the "posey vest" you made for David when we flew to Australia! RIP my friend!*

“ *Richard and Rodger, my favorite memories of Ruth is that she always had something to say to cheer you up! You couldn't be down if you were around her. I haven't seen her for several years but I'll never forget her sense of humor! You will see her again someday and no doubt she will be laughing about something!*

“ So sorry to hear of your loss. I'm sure Barbie you greatly miss her. She always there to lend a hand, but with that hand come a joke or a crack. She never said no and she took a real interest in your life and always listen. She was special person.

I knew Ruthie when we were "kids". A lot of space & time has passed since then, but we both ended up in the same city. To both the Poff/DeLozier families, I am so sorry to read about her passing. I saw Donnie's obit and noticed that she wasn't listed as a survivor, and found that she had also passed away a couple of years back. I thought of her often and remembered the fun times we used to have. RIP, REP
