“ *Robert & Susan,*  
*I wanted to let you know that I am so sorry for your loss & my prayers are with you. I have thought of you & your mother often. It impressed me so much how the two of you were there in support of her. I'm certain your mother was in peace knowing how you had her best interests at heart. She was not alone. It was obvious you both had such love & respect for her. Take care of each other.*

“*Bob, I am so sorry to see that your mother decided it was time to rest. You had told me that she was aware that she wanted to give up her future days to have peace and tranquility at long last. She certainly fought a great fight, always with a smile and her family supporting her in all her choices. You, your sister, and your wife have stood tall and kept her at peace in all her decisions. It has been so wonderful to know you, and admire you for your kind self and caring ways. It was always my pleasure to see you come through our doors. God bless you and I know that you have found peace. Your friend, Judie Dugan*
