“ *Aunt Dona was a very kind, gentle and beautiful woman. Her husband, Dick, our Uncle, loved her immensely and their marriage is a model for how wonderful a shared life can be. Our sincerest sympathy with much love and deep caring thoughts. Todd and Brenda Elliott*

“ *Dick, I just happened to look at the Obits and saw Dona's name. We are so sorry. I remember how much you loved her and always referred to her as "my girl." May God give you comfort.*

“ *Dona was a dear person, interesting, caring and devoted to the cultural life of Worthington. I enjoyed working with her in supporting our Worthington youth through the scholarships she gave in the name of her parents. My condolences to Richard and her family. Jeanne Earhart*
