“ *I am so sorry to hear of Ruth's passing. I will never forget all the Raggedy Ann and Andy dolls that she made for the newborns of our residents in Ophthalmology. Ruth gave me a great Christmas present one year. It was a replica of Scarlett O'Hara in her red dress. It sat on my desk at work during my career at OSU, and now sits on my desk at home. Ruth must have made a million cookies at Christmas, and always brought some in to share. I will keep Ruth and the Fisher family in my prayers.*
