“ We are so sorry to hear about Ruthie. We worked with her in the Detective Bureau and she was one of the sweetest people we ever knew. She always had a kind word for us and was always happy to see us. We talked a lot about Danny when he was so sick and we know how much she loved her family. When we had our Christmas potluck at work, she always brought her sausage & sauerkraut balls and boy did we love those! Ruthie was a good friend during our years at work and we will always remember her with the greatest fondness.

“ I worked with Ruthie at the CPD Detective Bureau for many years, and am saddened to hear that she passed away. She was about the sweetest person I've ever known. We used to laugh a lot while working the front desk. Even though that wasn't my job, I helped her out quite often during the lunch hours, and got to know her pretty well. I feel that I was priviledged to have known her, and will pray for her and the family during this difficult time.

“ Eleanor, Edward, Connie, Johnny and family,

I am so sorry to hear of the passing of our dear friend, Ruth. I worked in the detective bureau when Ruth worked there and one could not find a nicer lady. She was loved by every detective and civilian staffer there.

May the Lord bless each of you and give you His joy in knowing she is now in His wonderful presence.
