“ *I have known "Mama Ruth" for over 10 years. She has welcomed me and treated me like family. In the past 7 months, we were blessed to have her live with us. I hope that we were able to make her days easier. She was so funny, often making jokes about her age and her "weirdness." She loved to eat sweet potatoes, so I started calling her my "sweet potato." There is an empty place in our home now, but she will always be with us in many ways. One thing that stands out to me was how much she loved her grandchildren and how proud she was of them. Ruth said often that she has had a wonderful life and is "ready to go home." I know that she is with God now and is no longer feeling the aches and pains and stresses of life. In spite of that, she will be missed dearly by her family and all who knew and loved her. Rest Peacefully.*
