“ *Ruth was such a pleasure to work with every Tuesday afternoon at the Discovery Shop. She had the most beautiful, sparkling blue eyes and has been badly missed since she "retired" from her stint with us. Her memory will be a lovely presence in each and every life she touched.*

“ *Lance and I have such good memories of your living on Blenheim Road and we across the street. [we still live there] and the fun interactions with Ruth and all of you. Amazing woman, Ruth, and I hope to get to age 94 also. Lance is 88. Blessings to you all.*

“ I have been the Tuesday "Meals on Wheels" driver for Ruth for perhaps the past year. I was quite taken by Ruth's upbeat spirit and smile when I brought her meals to her. My wife and I sang happy birthday wishes to her just recently and were happy to learn that she must have enjoyed it because she asked me to sing an encore birthday wish the following week. I just wanted to express my condolences to Ruth's family and friends.

“ Mary, I never knew your mom, but in knowing you as a friend, we can certainly conclude that she must have been a wonderful lady. You are a special & living tribute to her life, and she will continue to shine on through your laughter, and the kindness of your spirit. Look to the stars from the boat on any summer night; she is keeping watch and smiling at you through those open floors of Heaven. With you and your family in my prayers, Kathy
