“ *Dear Frank, Dani, Tim and family. We were so saddened and shocked to hear of Sally's passing. She was a gentle, giving and kind person that she will truly be missed. She was a good sister-in-law to me and really made me feel welcomed in the family! We have many great memories together especially the family reunions. Our historian of the family... the endless work she did to finding our family roots will always be cherished. Know that you all will be in our thoughts and prayers. Love to you all!

“ Dear Frank and family, even though we didn't see each other often, lots of good memories come to mind. Back in the day when we all lived in Lowellville and our kids were little we shared some great times. Sally was a force in life. She will be missed. She would keep me company with Tim and Danny when Den was working afternoons and you were teaching and coaching at Brookfield! Good old days. God bless all of you and know Sally will always be remembered, Love and prayers to all. Den and Diana Schiraldi 🕊️🌹
