“ *It was my privilege to meet Sally. She always came in with a smile that made me resolve to be less of a "sissy". She'll always be alive in the hearts of those she inspired. Blessings and Peace be with you all.*

“ To My Dearest Mr Sally, Julie and family, I just wanted to drop a little note to you to let you know that I was thinking of you all of you. Even though I only knew Sally for a short time, it was such a privilege to know her. She was an AMAZING Lady, She seemed to always meet each day with zest and made sure to make everyone feel as though they were as special as she was, she did this with such Spirit and Grace. Even though, I only knew her for a short time, I felt as though I knew her for a life time. She always spoke of her family with a very Large SMILE on her face, You were all her Angels and now she is yours. Sally was always sure to greet me with a huge hug and smile. I always felt Love with her and like I was part of her family. I learned alot from her! You know, I like to think that there is a bright side to of all of this. She is now starting on a brand new journey and making the way for all of you, with all of the brand new doors to open. It is really exciting when you think of it. It will be truely wonderful for her. My thoughts and prayers are with you. Much Love, Cat
