“ *Bruce, Ben, Pammy, and Patty*

We are so very sorry for your loss. Sally was an amazing person! I could not understand her strength when I would see her in the past few years. She was always smiling and brushing off her illness like it was nothing. She was so gracious and so happy. Sally was amazing!

I know this has been going on for a long time. She is at peace now and smiling down on all of you.

Pammy - I saw your Facebook post about your mother and that was written with the same grace and dignity that your Mom possessed. I know she is proud!

Our best to all of you. We will be praying for God's peace as you go through these next few weeks.

Love,

Toni
