“ As a child I was in awe of Uncle Sam...as I got older, my adoration for him grew and grew. Uncle Sam lit up a room and was larger than life. There was just something magical about him. He was also the best story teller I have ever known :)

“ Connie, I'm sorry that I can't be at today's calling hours to personally express to you my sympathy. All of us in the insurance business held Sam in the highest regard. He was a gentle man, a professional and a true friend to us all. I know that you and Sam knew my father, Carl Judy, at Linden McKinley. Pop often referred to Sam and Vince as two of his favorites. I treasure the friendship he had with Sam and my prayers, a hug and thoughts are with you & you family. Bill Judy

“ I was sad to hear of Sam's passing. What a wonderful family man & friend to all. I remember the brothers all together back in the late 70's and early 80's, what a force they were together. God Bless the entire Chickerella family, from the little Combs family.

“ *I think everyone in Columbus knew the Chickerella name; I know my family did even though I didn't meet Mark and his brothers till the 1980's. Mike and I always loved all the "Chicks" and so admired what wonderful parents Mr. & Mrs. Chickerella were. Our hearts stay with you now and forever. God bless you and help you find solace in each other.*

“ *I was so sorry to read about Sam's passing. Though I had not seen him in years, I still remember what a classy guy he was. When younger Sam and Jim were playing basketball at Whetstone, Sam and had some interesting conversations. I just wanted the Chickerellas to know I was thinking about you and Sam. I'll say a prayer for Sam and the entire family. From a coach's point of view, he was the ideal parent. Jim Ferrell*

“ Dear sweet Aunt Connie, Sam, Shary, Jim, Mark and families, I think you know how much Uncle Sam meant to me. He was the sweetest, kindest, most forgiving and non judgemental man I have ever met. Couple that with being smart, classy, handsome, and very funny, what more could a niece want? He was the "go to man" of the family, and we all shall miss him. For me, I feel so lucky and blessed to have had him in my life all of these years,---the world is a better place for having had him pass through. You have my deepest sympathy and eternal love. For those of us who believe there is a heaven, he is surely there. Love, Antoinette

“ Dear Shary and Chickerella family: Alier and I were truly saddened to hear about the death of your father. I know this is a difficult time for you and your family and you are in our thoughts and prayers. While we didn't know know "poppi" well, it was obvious that he possessed a kind and gentle soul and was a very special person for you all. We remember very clearly meeting him for the first time at Alier and Kelly's rehearsal dinner and how his smile just lit up the room and filled it more than the words he could not speak. Without a doubt his presence will be missed but always remembered amongst those closest to him. May God bless you and your family through this time and always. Our condolences to you all. Eternal rest grant unto them, O Lord, and let perpetual light shine upon them. May the souls of the faithful departed, through the mercy of God, rest in peace. Amen. With our deepest sympathy, Alier and Scarlet
