

Samuel Joseph Bracken Jr.

August 3, 1938 - July 30, 2025

Samuel Joseph Bracken, Jr. passed away peacefully at home in Dublin, OH on Wednesday, July 30, 2025, surrounded by his family and beloved fur baby Angel, after a long illness. Born in 1938 in Clarksburg, WV, he would have been 87 years old on August 3. He graduated from St. Peter's High School in Fairmont, WV, Wheeling College and Georgetown Medical School.

Over his 50 years of practicing medicine in Wheeling, WV, he delivered more than 10,000 babies and was loved and respected for his kind and loving nature. For many patients, he delivered several generations of their family. Few people realized how deeply generous he was; through out the years, he quietly forgave the unpaid medical bills of patients who were struggling.

In addition to his love for practicing medicine, he was an avid lifetime gardener, loved skiing and travel, spending time with family & friends, but most of all he loved being with his grandchildren. He had a great sense of humor which remained evident throughout his illness.

He was preceded in death by his beloved wife of 50 years, Joyce Zack Bracken, and his parents Samuel Joseph Bracken and Zola Hedrick Bracken of Fairmont, W.V.

He is survived by his three children, Susan (Anthony) Redder of Powell, Ohio, Sam (Melissa Ingram) Bracken, III of LaGrange, Ky and Tom Bracken (Karen

Sauder) of Wheeling, WV; Grandchildren Tommy (Kiarah Vinka) Bracken, Jr. of Wheeling, WV, Lillian and Conor Redder of Powell, Oh. He is also survived by his beloved sister Elizabeth Bracken Hiner, niece Christine (David) Harmon and daughter Brianna Harmon, as well as nephew Oliver (Colleen) Hiner and children Samuel and Madeline Hiner.

The family would like to thank his caregivers for their love, kindness & care for him. We are eternally grateful.

Family will receive friends 6-8 p.m., Tuesday August 5 at the Rutherford Funeral Home, 450 W. Olentangy St., Powell, OH 43065. Mass of Christian Burial will be celebrated at 11 a.m. Wednesday, August 6 at St. Joan of Arc Catholic Church, 10700 Liberty Rd., Powell, OH 43065. A luncheon will be served after the funeral. “ Condolences to all the family in this time of mourning for your dear father, brother and friend. I knew Dr. Bracken and Joyce while we were at Misericordia Hospital in 1965-68. I was a student nurse and he was doing his residency. I also babysat for Susan, Sammy and Tommy. I was able to visit a few times in Wheeling when I was on home leave from Ghana where I was working as a Medical Mission Sister. Two of our Sr/Dr's also were friends with Sam and Joyce. It is heartwarming to read the reflections and know how much he meant for so many people. He certainly does rest in peace. With prayers, Sr. Margaret Moran, MMS.

“ Dear Susan, Sam, Tommy and family,
I have just learned of Sam's death. We were friends in the 70s and on in Wheeling and Deep Creek lake. I have many fond memories of times with you, your mom and your dad. I have not seen him since he moved to Columbus and I to Pittsburgh. My thoughts are with all of you....much love, Dot S.

“ Sam meant a GREAT deal to me since we met in 1965. He was a fantastic mentor who demonstrated much medical knowledge, aptitude and surgical skills. He also related with all patients; treated every one with respect.

After my training, we remained close friends. My wife, Margie, kids, and I always looked forward to spending family vacations together in RI, West Virginia or “Camp Lot-a-Fun”.

The times and events we spent together are among my most treasured memories.

It is tough to describe the sadness that I feel after learning of my true friend’s passing.

Please accept my deepest condolences to his children Susie, Sam and Tom

“ My mother, Pat (Robinson) Felton, worked for Dr. Bracken for years. The office was a close knit family. He was so good to my mother when my sister was ill, making sure she was able to have the time off to help care for her. He delivered my only daughter and gave me his number at Deep Creek in case he wasn't on call and could get to the hospital to deliver my baby. He was so kind. My sincerest condolences to his family and friends.

“ Sam has been a good friend since the mid sixties when he was an intern and resident at Misericordia Hospital in Philadelphia and I was a student nurse who babysat for Susan and Sam when they were little ones. We have never lost touch over the years and I value our friendship so much. In recent years we would talk on the phone and enjoy reminiscing about the good old days. I always called him especially for his birthday but this year I think he must have sensed he would not be here for his birthday because he surprised me with a call on either July 21 or 22. We reminisced about the fun party my family had for my dad's 50th and Sam's 30th. I will truly miss our calls. My sympathy and much love to Susan, Sam, and Tommy especially and to all his family and friends.
