“ *My mom had a zest for life and in her earlier years, loved traveling. She was strict, but she loved us kids and would have done ANYTHING for us. Some of my favorite memories with my mom (and dad) were going to DisneyWorld with my brother and Aunt Collie and watching the electric light parade. I already miss her so much but in my heart I know she is in a better place, and hopefully has found my dad and is holding his hand right at this very moment.*
