“ Dear Tom, I am so sorry to hear of your loss of Sandy. I never got to know her like some did, but from what David and Jean has told me, she was always fun to be around. Everyone loved her--family and friends. When all of you would go on trips together, David would tell me how much fun all of you had. Those are the memories that will remain with you, and help you to get through the loss of her. Also, you have your lovely family and friends who will be there for you. Remember the good and not the bad times--it helps. God will always be at your side to help--don't be afraid to ask for His help. It is not easy to lose someone you love dearly, but when they are so ill and suffering, it is best to let God care for them in Heaven--with no pain and suffering. I will continue to keep you and Sandy in my prayers. With Deepest Sympathy, Thelma Winks (David's Mom)
