“ *I am shocked and saddened by Sara's death. About twelve years ago I was a passener in a car that was involved in a wreck outside of the CETE Building in Columbus. I limped into the building and Sara saw my bloody leg. She immediately ran over and ripped my torn pant leg off and started to attend the wound. She then called an ambulance that took me to a Columbus hospital. Later that night Sara showed up at the hospital to check on me and make sure I had a ride back to CETE where my car was parked. What a nice girl. I was friends with Sara for sixteen years. I left Kent State in June 2009 and did not get a chance to say goodbye to her. I'll miss her.*
