“ *Sandra was a dear friend I met while working for So Fro Fabrics in Kingsdale in the late 1980s. She always had a pleasant smile and helpful nature about her. We reconnected a couple of years ago and she stopped and visited me at my home in Lost Creek, WV on her return to Columbus after visiting friends in Winchester, VA. We had a great visit! Through her employment at Capital Awards, she helped me purchase ribbon bookmarks for my wedding programs. Although unable to attend my wedding last October, she supported me from Columbus. She had a passion for life and loved Christ. She will be missed but in heaven, there will be rejoicing.*

“ Sandra was a great dancer and lover of music. She was one of the original 94th Aero Squadron regulars and I got to know her while singing with the Rick Brunetto BBand. She was always fun to chat with and I liked hearing her talk about the ballroom dance finals that took place downtown. ♡🎵

“ Sandra will be greatly missed by all who knew her and loved her. She had a beautiful voice given to her by her Maker which she shared with so many. As a member of the North High School Alumni Choir, she added her beautiful soprano voice each year on the Fourth of July. I am certain that she is now in God's choir, continuing to bring joy to all who have gone before. We will truly miss her smile and congenial spirit and her dedication to sharing her love of music wherever she has gone. May she rest in peace and continue to sing with the angels. My condolences to her family and friends.

“ *Saundra and I have gone to the same church for many years. We sang together in the church choir. I remember how close she and her mother were!! About 10 years ago, she encouraged me to join a choir she sang in, the Clintonville Community Choir., and I joined. I am so thankful she let me know about it. And we also sang together in The North High School Alumni Choir. Saundra always had something nice to say to everyone. I am so glad we were friends. She's watching over all of us from Heaven.*

*Sincerely,

“ *Saundra was a caring, fun loving person. She loved her music and singing, especially with the North High School choir. North High School has lost a special alum. Saundra had many friends during her high school years and after. Saundra and her mother opened her home to many friends for visiting and parties. Part of the group was Don, Patti, Penny, Ron, Rodney, George, John, and many others. Saundra was a hard and devoted worker to her employers. She will be missed by many. She was so happy to go to Disney World one more time this past year....as she and her mother had gone there together many times when she was a child.*
