“ *To Scott's family & friends,
None of you know me - Scott was a customer
of OTCO, Inc. in Fond du Lac, WI. In all of the
years that I "worked" with Scott, I never heard
a negative word from him - even when we
made an error on one of his orders - always such a patient,
understanding man. I will miss talking to Scott - he had a way of
making my day seem brighter just by talking to him. RIP, Scott - the
world is a better place because of people like you.*

*With my deepest sympathy,

“ *Barb, Holly and Hanna, it is with a heavy heart that I send my thoughts and prayers to you. I have been out of state having returned yesterday, thus unable to attend the services. Holly and Hanna, having shared office space with your Dad for nearly 10 years, as well as many rounds of golf and a few days fishing, I can tell you that your Dad talked about both of you constantly. He was very proud of you both. I have two daughters as well, roughly the same age as the two of you, with one being a nurse. It was a rare day when we did not chat for at least a few minutes, and more often than not we would brag on our daughters at some point during the conversation.*

We will all miss his quick smile, funny laugh and good humor. I will miss a good friend.....

“ Our thoughts and prayers go out to Barb, Hannah, Holly and the rest of Scott's family, in this time of sorrow. Although I did not play with Scott at OSU (I played from 70-74), I was refereeing the CCHA while Scott was playing for the Buckeyes in nets. He was always a class act and we did get to enjoy good times at our Buckeye Hockey Alumni events and games (and a few brews). We had that UA connection also, as I started and coached the Bears hockey program and Scott would always ask how the Golden Bears were doing on the ice - he was a very caring and class act and a great OSU teammate to all that played with him. May he rest in peace and God Bless his soul!! From the entire Buckeye Hockey Alumni family.

“ To the Doggett Family: I don't know how to express the sense of loss I felt when I heard about Scotty's passing. I played hockey with Scotty on Sunday mornings for many years. I loved playing with him and against him. He always had a sense of fair play and, more uniquely, an ability to see the humorous side of play. On the bench, I can remember many instances of Scotty laughing at my commentaries critiquing our goalie's play. We also laughed at ourselves and each other. One of the highlights of every week was the post game analysis of life that we all shared together at B.W.3's. All of us that knew Scotty from Sunday morning hockey will miss him dearly. “ Barbara, Holly, and Hannah. Your father was a very kind and jovial person, a real pleasure to be around. I played hockey with him for many years and looked forward to seeing him every game. He and I went to quite a few OSU games together the past few years. He will be missed.

“ *Barbara, Holly & Hanna:
I work in same building as Scott, 2 doors down. I have 2 boys that went to Dublin schools similar ages to Holly & Hanna. We always kidded because I was the femaie in a house of men and he was the male in a house of women. It was obvious that his family was very important to him. I will miss him so much as we often chatted on the way in and out of the office or to the mailbox and back. I always thought of him as sort of a co-worker even though our work was not related. He would sometimes come in and borrow paper or rubberbands and I gave him a hard time about it.He had a great laugh as I could often hear him from 2 doors away talking to someone on the phone. The office will not be the same. Thoughts and prayers to all of you.*

“ *To the entire Doggett family,
There are no words to express the sadness and heartache I feel for you. I think back to the years we all shared on Tayport Dr together and can't help but smile at the memories and stories that took place. From seeing Mrs Doggett running or being pulled around the island while jogging with your dogs or Holly and Hanna playing with my sister or taking part in the annual Fourth of July parade. Those and many more memories will be with me forever. All of our lives were built on a foundation of family, friends and close knit neighborhood, people move and change city's over time but our history together will never change.
