

Scott Thornton

May 23, 1956 - October 20, 2018

It is with great sadness that we say goodbye to our brother Scott, after a long hard battle against COPD, passing away peacefully on Saturday, October 20, 2018 in the Kobacher House, under the tender care of Ohio Health Hospice. He grew up in the wonderful little town of Dublin, OH. Scott was a professional truck driver for 38 years; affording him the opportunity to travel all over the country; making friends everywhere he went. Anyone who knew him loved his sense of humor, orneriness, passion of sports, and the generosity he shared. Scott's passions were his family, friends, children, animals (especially dogs), fishing, and playing golf. He was a giver...a heart of gold! He was "SANTA CLAUS!!"

Scott is survived by his brother; David (Linda) Thornton of Troy, MI, sister; Chris (Jim) Massengale of Cincinnati, OH, brother; Ric (Liz) Thornton of Lewis Center, OH, and sister; Libby (Mark) Trucco of Delaware, OH, nieces, nephews and many friends. He was preceded in death by his parents; Ed and Helen Thornton and step-mother, Grace McBride Thornton.

Visitation will be held on Sunday, November 4, 2018 from 2-4 PM, immediately followed by a Celebration of Life Service in the Rutherford at Powell Funeral Home, 450 West Olentangy Street, Powell, OH 43035. While flowers are appreciated and welcomed, memorial contributions can be made, if desired, to the following organizations: Ohio Health Hospice 800 McConnell Drive, Columbus, OH 43214; Delaware County Humane Society 4920 OH-37, Delaware, OH 43015; People in Need 138 Johnson Drive, Delaware, OH

“ *For Scott...*

Words are hard to find when our loved ones leave us behind. Gone on a journey where time is of no mind. Far away, to a place with golden streets and eternal peace. Scott is resting there safe and sound, with loving family all around. Jesus saved a special place as promised, abound.

I will miss you cousin.

With love,

Amy

“ Scott you are my brother-in-law. Distance prevented us from spending time together. Unfortunately your health was on the decline and his mobility extremely limited by the time I was able get to know you. I think we would have been buddies. We shared a love of fishing and golf. We both held strong opinions of our views of the world and are not the least bit shy about sharing those opinions with others. The jury is still out as to which of us sports a better beard. The thing we share most is the love for your sister.

You told me several times how you were going to drive to Cincinnati to screen me to make sure I was the right man to marry Chris. It would seem odd by virtue of the birth order the younger brother taking such measures to protect an older sister. Given your size I think no one is surprised. Given the size of your heart there are even fewer surprises.

I don't what concerns a person has in the afterlife. I hope it is which club to use from which tee, how far you need to cast your line or which long departed loved ones you need to catch up with. One concern you need not concern yourself with. I will always be there to love and protect your sister Chris. I hope I am providing her some comfort in losing you. You missed and loved. Rest in peace my friend.

“ *Scott was a special friend to me that I will always treasure. He called me once and I told him I was not feeling well and he showed up at my house with flowers and orange juice. That was the type of person he was. My thoughts and prayers are with the family. Kitsy Burt*

“ Scott was one of a kind. He'll be missed by many. Driving by the old home on Dublin Rd. today I could still see him watching deer cross the old farm fields that are now full of houses.

May he rest in peace.

“ Nothing better than a hug from Scott Thornton. His smile, his personality and he had a look. Was never sure when he gave that look if it was Helen or Ed looking at me. My heart is heavy for you all. I love you all.
