“ *Nancy and Rick, We were so sorry and very sad to hear about Jesse. My earliest memory of Jesse is when he was about 2. I was driving around with Annemarie and Chad, and he was in the back seat. He'd just learned part of the song "Oh Susanna" (the "doo dah" part). All you could hear from the back seat was "doo dah" over and over again. Hilarious! You are in our thoughts.*

“ I will always remember Jesse as the outspoken kid that I met over 10 years ago while attending the New Hope Grace Brethren church. He was a good friend and was like a younger brother to me. Jesse was always full of smiles and jokes and I wish that we would have kept in touch over the years. Rick and Nancy, I am so sorry for your loss. Your son was somebody to be proud of and I'll never forget the impact that he had on my life.

“ Nancy and Rick, I am so sorry. First of all, it doesn't seem possible that Jesse is that old. The time sure gets away from us! I remember when he was about 4 and fell and broke his arm. He sure turned into a good looking young man. You must be so proud. Take care and know that you are in my thoughts and prayers. Ellen (Huntington Bank)

“ My son is Cpl Justin Brock, a good friend of Jesse's and member of the 3rd CEB currently still in Afghanistan. On behalf of Justin and our family I would like to express our condolences as well as gratitude for Jesse's service to our country. He led his men well, treated them with respect and kept them laughing. I will be honored to attend the funeral to stand in for my son who would be there if he could be. They are honoring Jesse in their own way in Afghanistan. If our family can be of help in any way, please do not hesitate to contact us.
