“ Unfortunately we just booked 5 nights at the resort and due to some unforeseen circumstances, flight delay, we just spent 3 nights at Minahasa Lagoon. But they were the best 3 nights of our full 7 week trip, with 6 weeks in Australia. After arriving and seeing all this beauty, around and in the resort, we decided this would be our Pre-Honeymoon. Really romantic with the flowers everywhere in our cabin. We were not able to experience the diving because of being pregnant, but fully enjoyed the rest and wellness at the resort.

“ Ron & Family: There are no words to tell you how heart sick we are. Sharon was a true friend in that we may not have seen each other often, when we did, we picked up where we left off, like we had seen each other yesterday. Her laugh made me happy. Love, Kari & Jim
