“ *The impact of hearing this news was overwhelmingly heartbreaking. I met Ms Sharon Lee several years ago while working at Brown Tax Services where she got her taxes prepared. She was beyond humble and one of the nicest people you had the honor of knowing. Three years ago she came into the office and told me she wanted to give me a piece of her plant, of course I said yes, but I didn't expect her to remember. One day in the office she walked with this Prayer Plant, a tiny clipping that she had rooted and planted just for me. I was overjoyed to say the least. I kept that plant on my desk until last year so that every time she came into the office she could see it. I now have a piece of this wonderful woman's generosity that I will always cherish. I just spoke with her in January and she had sent me a Thank You card and suggested we have lunch after tax season. I will truly miss her as I sure her family, friends and the police department will, she spoke of them often. To the Family, you have my deepest condolences for your loss.*

“ Met Sharon in Feb. of 1970 when Tom and I started at UAPD. Tom and I rode to work together for 2 years and when I eventually joined CPD in 1973 we were in the academy at the same time. Sharon was, and always will be, one of the sweetest, caring people I had ever met.

My medical condition now prohibits me from attending any services, but I express my deepest condolences to Shawn, Tricia, and the entire family.

“ I worked with/around Tom my entire police career. I met Sharon @ Retiree mtngs. She said she always tried to keep Chief Don Schwind "in line" (who I also worked with/around) but sometimes it was a choir! We always argued about me arriving late and she wasn't taking additional \$\$ for tickets and I would always screwed up the \$\$ count. A pleasant/honorable woman. RIP my friend. Pease tell Tom I said "Hey"

“ I just met Sharon on the previous Sunday at the retired officers luncheon. Having worked many years ago with Tommy, it was a pleasure to meet and talk with her. Sorry to hear this news.
