“ Dear Sharon;
How do you summarize a 50 year relationship? I do not have the ability to clearly describe the friendship and endless love you have given to myself and my family.. I wanted to talk to you today, but Verizon doesn't reach that far. However, I know you heard me and understood. Despite your situation you had more empathy and love for all your friends and family than most people can even imagine. In my heart you are still with us. Love always. Teresa

“ *Sharon was a lovely woman who clearly adored her children and grandchildren. She treated my mom and us girls like family when my mom married Timmy. I have no doubt that her dearly missed brother, Tim, met her on the other side with a warm hug and a sarcastic joke. All my love and deepest condolence to Sharon's husband, children, grandchildren, and many loved ones.*
