“ Sheila-I take comfort in knowing you are at peace and out of pain. Your knowledge, your smile and your cunning wit is one of the reasons I stay in billing! No matter what the time or day, you would commiserate, laugh with me, and walk me through! I will never forget our late night texts but mostly I will never forget your kindness, your laugh, or your unconditional friendship. I will miss you! Larry, Aaron, and Brooke - take comfort in knowing that Sheila will be by your side like always, and that she is watching over you like always. My heart and prayers go out to you.

“ Sheila - I will forever miss our late night texts, our phone calls, our emails and most of all, your smiling voice. You always gave your time willingly to help others and even when you were in a lot of pain, you still managed to come to NAB meetings when you shouldn't have bothered to come at all. But that's what I loved about you - you were always involved, caring and sharing. I know you fought the hardest battle of your life and I don't know why some people like me get a second chance after melanoma when you did not. You will forever be missed, my Friend. A note to others: Sheila was very involved in the AMBA billing community – both in her local chapter as well as serving on the AMBA National Advisory Board. She was recently selected the 2012-2013 Member of the Year by fellow AMBA members and was a great role model and mentor for other billers. Sheila was the first biller I met when I started doing billing back in the day and we remained friends throughout the years – she was truly the first AMBA Member and many of her ideas were implemented and shared here at AMBA. Sheila had many, many billing friends across the nation and I am proud to have known and worked with her. Rest in peace Friend.

“ Sheila, "I like ice cream and brownies" was how we chose to communicate when life was tough and I'll always remember how this simple phrase made our friendship evolve and thrive. You have taught me so much, and I'll miss our texts and calls just to chat and connect with each other. You were one very special woman and you loved with your whole being. Rest peacefully in the arms of our Heavenly Father! I look forward to seeing you again some day...

“ I'm very sorry for your loss and I understand the loss of seeing someone fight so hard against the beast only to succumb in the end. I lost my husband 3 years ago to it as well. There is nothing anyone can say that will ease the pain you are feeling now, but I also know the relief that comes from knowing your loved one is no longer in pain. Reach out to your friends and family and I pray those people will be able to help you as you work your way through the months and years ahead.
